AGENDA

- Monique can share any information from last night's board meeting regarding approvals on changes/deletions regarding policies that were on that board agenda.
- We had thought to delete Policy 2000.17 Community Engagement at our last policy meeting but after further review discovered we do have Title I funding. The policy is currently being reviewed by the district office.
- Clean up any loose ends. We are through the policy book. A new committee will be formed and interested parties can continue to meet as new policies and/or changes are needed.

Action, if required, to forward recommendations to the School Board at the next regular school board meeting.
