Written policy is essential for the effective and efficient operation of the School District. The Board is committed to the continual development of written policies to guide the Board in making decisions and to provide the guidelines to be followed by the administration and staff.

The District Administrator shall make policy recommendations to the Board, which in turn shall consider his/her policy recommendations.

Those school personnel affected by a policy shall, when appropriate, be provided opportunities to participate in the development of the policy prior to its recommendation to the Board.

All policies of the Board are public record and shall be available to perusal by any employee, student or other citizen of the District.
