Section Education Agency Relations

RELATIONS WITH COLLEGES AND UNIVERSITIES/STUDENT TEACHING 3000.5

The Board desires that staff and students of this school district benefit in every feasible way from resources provided by the colleges and universities of our area. The district administrator is to keep the Board informed of all opportunities for shared and cooperative services between the district and institutions of higher learning. Additionally, staff members are encouraged to seek out and utilize the services of college and university faculty members who are willing to serve our schools as instructional resource persons.

The district promotes the practice of having student teachers. This practice is part of professional collaboration and benefits our staff, students and families.
