

Policies of the Board of Education

Section G            Support Services

EQUIPMENT GUIDELINES

700.17

Each instructor will be responsible for keeping an accurate inventory.

The students have first priority to the tools and equipment for classroom use. It will be the instructor's responsibility to see that any equipment that has been checked out is returned promptly for the students' use.

All repair or replacement cost will be the responsibility of the individual checking the equipment out.

The schools will not check out consumable material.
