Section G                      Support Services

PUBLIC SALES ON SCHOOL PROPERTY                      700.47

It shall be the policy of the District to encourage student activities conducive to good health, effective citizenship, high morale, effective learning and exemplary moral and ethical standards. It is legal to sell or promote the sale of goods or services on school district property, but no material is to be sold or distributed on school property without the express permission of the administrator. The Board of Education approves the broad fundraising schedule as needed.

All concession sales within the school must be handled by the administrator and his/her designee.

No school district employee may receive for his or her personal benefit, anything of value from any person other than his or her employing school district for selling, promoting the sale of, or acting as an agent or solicitor for the sale of any goods or services to any pupils while on the property of the school district or at any activity sponsored by the school district.
