Section H: Instruction

GIFTED AND TALENTED STUDENTS

800.19

The Lake Country School District will strive to offer each child experiences appropriate to his individual needs interests and capabilities and to challenge all students to perform at their highest potential.

The potentially high achieving student shall be provided the opportunity to develop skills in inquiry and creative expression at a rate and to an extent appropriate to his/her ability. A pupil may be identified as gifted or talented in one or more of the categories: intellectual, creative, leadership, artistic, and specific academic areas under s.118.35(1) stats.

As skills and techniques are mastered, opportunity for exploration of other challenging and interesting methods of learning and subject matter shall be provided. The gifted and talented teacher will provide regular teachers with expansions, extensions, and acceleration whenever the challenge arises.
