

Policies of the Board of Education

Section H: Instruction

HOMEBOUND INSTRUCTION

800.20

Homebound instruction for general education students may be provided at the discretion of the Board of Education for students who are unable to attend school due to mental or physical illness of injury. The student's parent or guardian should address such a request to the District Administrator. Written documentation from the child's physician will be required. The Board reserves the right to request and pay for a second opinion.
