### Section H: Instruction

#### LIBRARY MATERIALS SELECTION AND ADOPTION

800.28

The school library media program of the Lake Country School District exists to support the curriculum and philosophy of the school district. The school library media program is designed to provide reader's guidance and resource based instruction in the acquisition of library/information skills with teacher and library media specialist sharing instruction. Effective use of the school library media program will enable every student to become a knowledgeable, self-user of libraries and their information sources.

The Lake Country School District shall not discriminate in the selection and evaluation of instructional and library materials on the basis of sex, color, religion, race, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation or physical, mental, emotional or learning disability. Discrimination complaints shall be processed in accordance with established procedures.
