

Wildcat Care at Lake Country School

Available to 4K Lake Country School Students
Monday through Friday on school days

7:50 a.m. - Students arrive at Wildcat Care and meet the teachers at the Activities Entrance.

Lunch: Students can either buy a hot lunch from the Lake Country School lunchroom or bring a healthy, nut-free bagged lunch. Lunch is to be eaten in the school lunchroom. We promote healthy eating habits, including trying a bite of everything, especially before having treats.

Independence: At Wildcat Care we stress independence. Some examples are cleaning up your lunch space and toys, gathering your items, setting up your rest space, putting on your outdoor items and shoes, being helpers in the classroom and school, and other opportunities throughout the day.

Rest Time: Students will have a quiet rest time for approximately 1 hour. Please ensure that your child brings a rest mat, towel, and 1 small stuffed animal to school for this purpose. The cloth items will be sent home monthly for washing.

Library: Our classroom library is open daily. Books are changed regularly. We read stories every day and listen to books on tape. We love books!!!

Activities: In our classroom, we engage in hands-on exploration through various art and play activities. Additionally, we focus on developing fine motor skills by practicing the use of scissors, buttoning, zippers, tweezers, lacing, stringing, and other activities. We encourage social skills such as sharing and taking turns, and offer opportunities for gross motor activities during recess, brain breaks, and more. During Center Time, students have the freedom to choose from a variety of activities including blocks, crafts, coloring, library, sensory activities, science, and more.

12:10 p.m. - Time goes by quickly! Students will be connected with Mrs. Bakken the 4K teacher.

**If you have any questions, please contact Raquel Ramirez or Jessica Pickett:
262.367.3606 x204**
