

LAKE COUNTRY SCHOOL ADMINISTRATOR UPDATE

Hello Lake Country families,

It feels like just yesterday we were welcoming students back through our doors, filled with the promise and excitement of a new academic adventure. Now, as we prepare for summer break, I am incredibly proud of all that our students, staff, and families have accomplished together.

This year has been brimming with memorable moments, significant academic achievements, and countless examples of growth and resilience. From the triumphs on the athletic fields and stages to the quiet breakthroughs in the classroom, our students have consistently demonstrated dedication, curiosity, and a commitment to learning. We've seen incredible progress in reading and math, inspiring creativity in arts and music, and a blossoming of leadership skills in our various clubs and activities.

None of this would be possible without the unwavering dedication of our exceptional faculty and staff. Their passion for education, tireless efforts, and genuine care for each student create the nurturing and stimulating environment that defines Lake Country School. Their commitment to fostering not only academic excellence but also strong character and well-being is truly commendable.

To our graduating 8th graders, we extend our warmest congratulations! You have navigated your time at Lake Country School with grace, determination, and a spirit of camaraderie. We are confident that you are well-prepared for your next chapter, and we look forward to hearing about your future successes. Remember the lessons learned, the friendships forged, and the foundation you've built here. You will always be a part of the Lake Country School family.

And to our returning students, we eagerly anticipate your return in the fall, refreshed and ready for new challenges and discoveries. We encourage you to use the summer months to relax, recharge, read, and explore new interests. Stay curious, stay active, and make the most of this precious time with family and friends.

As we approach the final dismissal bell, please remember a few important logistical details: Dismissal will be at the regular time, on June 11th. Report cards will be available online in Skyward on June 24th. Skyward will be shut down for the summer starting June 28th. Please watch our website for updates on Open House, Supply Lists and Skyward back up for Fall registration.

On behalf of the entire administration, I want to express my deepest gratitude to our incredible parent community. Your partnership, volunteerism, and endless support are invaluable to the success of our school. Thank you for entrusting us with your children; it is a privilege we do not take lightly.

Enjoy a safe, healthy, and happy summer break! We look forward to welcoming everyone back for another outstanding year on September 2, 2025.

Thank you for your continued support of the Lake Country School District.

Chad Schraufnagel

District Administrator
