

Virtual STEM Program!

Fall 2020

Online Sessions

GRADES K-8

This online class takes a hands-on approach to science, engineering and computer programming, allowing students to explore a variety of fun and educational activities using common household materials. Under the guidance of a live instructor during each 45 minute session, students will improve their problem solving, math, and physics skills – all while engaging in exciting science and coding projects! This class also includes video lessons to guide students through the creation of additional projects outside of class time!

Course Dates: Fridays, November 13th - December 18th, No class: 11/27 (5 Classes)

Course Time: 5:00 PM - 5:45 PM Central Time

An email with the link to the recurring Zoom meeting and any additional information for the course will be sent to the email address entered during your registration. The email will be sent one business day before the class begins.

To sign up, please visit <http://www.learningmeansfun.com/signup>.

You will need to enter the course code **VCRF** to register. Please register by 10pm PST on 11/11. The price for the session is \$45.00.

If you need assistance when registering, please contact Afterschool Enrichment Solutions at 847-482-9999 or registration@learningmeansfun.com. No refunds will be made, unless there is insufficient enrollment. No make-ups will be scheduled for inclement weather or circumstances beyond our control. It's the parents' responsibility to remind the children about the classes.
