Our Daily Routine....

We pick up the children at Mrs Moore's or Mrs Cookson's classroom.

The children are able to purchase hot lunch or bring their own cold lunch. We eat in the classroom and lunchroom (approximately two days a week).

We stress independence in trying to open items themselves, staying in their seats and manners. We encourage great eating habits of eating fruits and vegetables, especially before our treats.

We have visits to the library for daily story and rest time books. We will set up our rest area (please bring your own mat, blanket, pillow and stuffed animal). Rest is 45 minutes-1 hour.

After rest time we practice writing our own name, worksheets, do a craft, possibly go for a nature walk or go sledding. We will also have free play time, a snack and recess.

We do puzzles, paint, color and play games. We work on colors, numbers, shapes and letter recognition. We learn how to use a scissors, button buttons and zipper zippers (fine motor skills). We practice our days of the week, months of the year, sharing and taking turns (social skills). We enjoy a gym class or recess (gross motor skills).

Time goes by quickly and then it is time to go home. Children can either be picked up, go to Y after school care or take the bus home.
