Dear Prospective Families:

Welcome! Whether you are relocating to the area or considering applying for open enrollment, we would love to assist you in making your move to Lake Country School a smooth one. If you have any questions related to our great school, we would be more than willing to answer those.

If your child will *reside* in our school district, the registration paperwork can be found online at www.MyLakeCountrySchool.org > School > Enrollment Center, or by stopping in the school office.

If your child will reside outside of our school district, your first step should be the open enrollment information found at Wisconsin DPI website: <https://dpi.wi.gov/open-enrollment>.

You may apply for open enrollment from February 3-April 30, 2020 on the WI DPI website. Lake Country School District has the following open enrollment seats for the 2020/2021 school year:
