*Don't forget the Art Fair this weekend!
See attached flier for details.*

DOORS

Please make note that we will be locking the main entrance doors of the school at 4:00 pm every day. If you come for an after school activity/event or to pick up a student, you will need to use the activity doors to the left of the main entrance. In addition, no one is allowed beyond the double wood doors by the upper gym, unless it is for a school-sponsored event.

MUSIC SCHOLARSHIP

Lake Country School Music is currently accepting applications for a \$300 music scholarship (for a music camp), courtesy of the Lake Country School Education Foundation. Two scholarships are available. Vocal and instrumental students in 5th-8th grade can pick up an application from Mrs. Van Dyke's office door. Applications are due March 20th. Auditions will be held in the choir room on Tuesday, April 9th. See Mrs. Van Dyke for more details.

MATH ACCELERATION DEADLINE

Thursday, February 28, is the deadline for a parent/guardian, teacher or other school district professional to request acceleration (grade skipping) in math by notifying Mrs. Schneider, the gifted and talented coordinator, in writing. Current kindergarten through sixth grade students, who are highly capable AND high performing students, are eligible to apply. Previously placed students do not need to reapply. Included with this written notification should be a rationale for why this is appropriate for the child. Once notification is received, a rigorous review process begins that incorporates data from student performance, standardized test results and teacher observation. Lake Country School's math acceleration committee will review the data before the end of this school year for 2019-2020 math class placement. Parents who have questions regarding this process should contact their child's math/classroom teacher(s) or Mrs. Schneider.

BOYS & GIRLS TRACK & FIELD SIGNUP (GRADES 4-8)

The signup for track & field opened on Monday, February 18th thru Skyward Family Access.
You will need a parent login and password. Students do not have access to this page.

Follow these directions:

- After logging in to Skyward Family Access, click on Fee Management on the left side of screen
- Under your child's name, click on Make a Payment
- Under your child's name, next to Fee Management Payment, click on Update Payment Amount
- Under where it says "Fees that can be added to this student's account"... Find, Click on, and Add your child's grade level track fee
- Proceed to pay fee thru our vendor RevTrack or send a check to the school office with your child.

Sign up will be open thru Friday, 3/15/19. Please call Nancy Kuehl at ext 108 if you have questions. The cost is \$10 and the season typically runs mid/late April to late May. Despite the overlap, volleyball players are able to participate.

ANNUAL MEETING

MONDAY FEBRUARY 25 – 5:00 p.m.

IN LCS LIBRARY

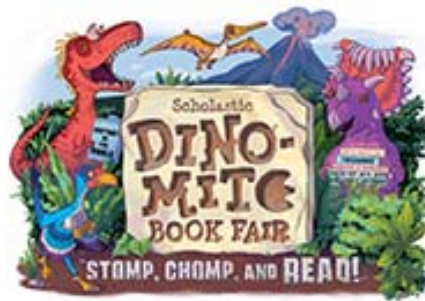

Please join us as we make plans for the rest of the school year.

Please consider getting involved or joining the LCSEF Board.

For questions, contact LouisaSelf@gmail.com (262)490-0788

Dino ROAR ... Stomp! Chomp! Read! The 2019 Spring LCS Fall Scholastic Book Fair will be held Friday March 8th through Friday March 15th from 8AM – 3:30PM. In addition, we will be open late on Tuesday, March 12th until 7PM--feel free to come to the library in your jammies and explore the book fair!

The book fair is a wonderful opportunity for children to come to the library, explore and purchase books at a discounted level each year from Scholastic books. This spring, all LCS students will receive a free book courtesy of the library!

NEW FOR 2019 → Introducing the book fair eWallet. This year the book fair will add another form of payment via eWallet. By using eWallet, families can set up online digital wallets for their children so they do not need to bring money to school. The eWallets are easy to set up and easy to use. To set up your eWallet, please visit the LCS Book Fair webpage at <http://www.scholastic.com/bf/lakecountryschool> and set up an account. Only the actual amount spent on books is drawn from the account. If there is money not used, the remainder returns back to you! Please note: eWallets will be available to set up beginning February 21st.

Finally, the book fair is always in need of volunteers to help with set up of the fair (March 7th), take down of books (March 15th) and book sales (March 8-15th). Volunteering is a fun & easy way to be involved to help support the fair; in addition, all volunteers receive a discount off of book fair purchases. Kids love when their parents work at the fair. No experience necessary. If interested, please sign up via <http://signup.com/go/hxPHwmD> or contact Tara Kozik at tkozik@gmail.com or Lauren Brunner at lktri@hotmail.com.

LAKE COUNTRY SCHOOL 2019 NATIONAL GEOGRAPHIC BEE

The final round of the Lake Country School 2019 National Geographic Bee was held on Wednesday, January 23. This PTO sponsored contest is designed to spark student interest in geography and increase awareness about resources available through the National Geographic Society. Over 250 students participated in grade level competitions until two grade level winners were selected. The grade level winners were as follows:

Grade 4 - Carter Moore and Hudson Brunner
Grade 5 - Caden McLaughlin and Nitin Ayyappan
Grade 6 - Jason Brammeir-Zayas and Johnny Dempsey
Grade 7 - Ben Otte and Maxime Venon
Grade 8 - Erik Jiang and Courtney Weston

Maxime Venon won the final round. In accordance with the National Geographic Society, Maxime completed a state level qualifying test and is awaiting results to see if he will advance to the state bee. The third place winner was Jason Brammeir-Zayas; and second place went to Courtney Weston.

Congratulations to all Lake Country School students who participated in the National Geographic Bee.

Wildcat Clips deadline: Friday, March 1st. Although we make every effort to include late submissions, please know there is no guarantee.

Please provide your *Clips* submission request to Lisa Acton. E-mail Lisa at actonl@mylakecountryschool.org in a Word document. We reserve the right to edit and/or limit items submitted to fit our *Clips* format. All *Clips* submissions are subject to approval by Mark Lichte.

Lake Country PTO is in need of a **Fun Run Auction Coordinator**

The framework has been established and we are in need of someone to help continue the success of last year's auction which included community donations. The same online format will be used and we have a detailed list of past donor information.

The auction funds can make up a third to almost half of our annual budget which is used for field trips, Geography Bee, plays, musical performances, museum tickets, band equipment, extra classroom resources, and much, much more! In order to continue supporting LCS like we do, we need help!

Interested or have questions? Contact Lesley Wyma at l.a.wyma@gmail.com or 616-291-0595.

Any questions?????

Feel free to call us at – 414-858-9990

To avoid any mix-ups, please remind your child to go to Mad Science after school on class days. It's also a good idea to send the teacher a note instructing the child where to go. Our instructors are not able to leave the classroom to look for absent children.

An announcement will be made on the first day of class, directing the children where to meet.

Mad Science is not responsible for children before or after the stated class times.

Please pick your child up promptly after Mad Science at the school designated location at dismissal. If you are going to be late, please make arrangements to have your child picked up by someone else or attend after school care if available.

Late pickup will be charged after a 5 minute grace period at the rate of \$1.00 per minute and must be paid to the Mad Science office prior to the start of the next class for your child to continue.

If your child attends after school care, they will be walked there at the end of class.

For refund requests made at least two business days prior to the first class, a \$25 processing fee will be deducted. No refunds or credits will be issued with less than 2 business days notice. No refunds or prorated fees for missed classes. There is a \$30 fee for all returned checks.

If a class is cancelled due to inclement weather or an unexpected school closing, we will attempt to schedule a make-up class. We are unable to offer a refund for classes missed due to unforeseen circumstances.

An alternate topic for a particular class may be substituted without notice if necessary.

Jr. Scientists in Training!
