TALENT SHOW

The 2019 Lake Country Talent show is just around the corner. We are looking for acts of all types to participate from students of all ages. This is a great opportunity to show off a hidden talent. Please see the attached form for the details and audition sign up form.

GEO BEE

Congratulations to 7th grader Maxime Venon!! Based on the test he took after winning the Lake Country National Geographic Bee, he has qualified for the Wisconsin State Bee which will take place on March 29, in Madison. We are very proud of Max's accomplishment!

BOOK FAIR

Dino ROAR ... Stomp! Chomp! Read! The 2019 Spring LCS Fall Scholastic Book Fair will be held Friday March 8th through Friday March 15th from 8AM – 3:30PM. In addition, we will be open late on Tuesday, March 12th until 7PM--feel free to come to the library in your jammies and explore the book fair! The book fair is a wonderful opportunity for children to come to the library, explore and purchase books at a discounted level each year from Scholastic books. This spring, all LCS students will receive a free book courtesy of the library!

NEW FOR 2019 → Introducing the book fair eWallet. This year the book fair will add another form of payment via eWallet. By using eWallet, families can set up online digital wallets for their children so they do not need to bring money to school. The eWallets are easy to set up and easy to use. To set up your eWallet, please visit the LCS Book Fair webpage at <http://www.scholastic.com/bf/lakecountryschool> and set up an account. Only the actual amount spent on books is drawn from the account. If there is money not used, the remainder returns back to you! Please note: eWallets will be available to set up beginning February 21st.

Finally, the book fair is always in need of volunteers to help with set up of the fair (March 7th), take down of books (March 15th) and book sales (March 8-15th). Volunteering is a fun & easy way to be involved to help support the fair; in addition, all volunteers receive a discount off of book fair purchases. Kids love when their parents work at the fair. No experience necessary. If interested, please sign up via <http://signup.com/go/hxPHwMD> or contact Tara Kozik at tkozik@gmail.com or Lauren Brunner at lktri@hotmail.com.

Kids Heart Challenge 2019 a Success!!!

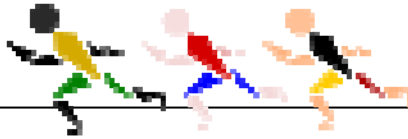

It was a great year for raising money and awareness for the American Heart Association to continue to help people in our community fight America's No. 1 and No. 3 killers – heart disease and stroke. Through our efforts, we were able to raise \$5,516 in 2019! Since 2006, Lake Country School has raised over \$69,000! The AHA states that every \$50 raised helps to save 1 life. Through our efforts the last 12 years, Lake Country School was able to help save 1,380 lives!

Thank-you to all the students, parents, and staff who participated in our Jump Rope for Heart event, and to all the volunteers for helping make the event a great success!
