SCHOOL SUPPLY LIST & ONLINE ORDERING FOR 2018-19

Attached is a copy of next year's school supply list. NOTE: There will NOT be an opportunity to pre order a School Pack this year. There still is however the option to purchase supplies online through TeacherLists and have them delivered to your home.

Just click on the link, enter 53029 for the zip code and look for Lake Country School <https://www.teacherlists.com/>. The list for 2019-20 will be updated in the next couple of days.

OFFICE SUMMER HOURS

The best time to get ahold of someone in the office over the summer is Monday thru Thursday from 8:00am to 12:00 pm. It is best to call ahead before stopping in.

CLASS PLACEMENT FOR 2019-2020

Our school is committed to providing the best educational environment for all students. We truly appreciate your parental concern for your child's education and always welcome your input. However, with regard to class placement decisions, as a general rule, we will not accept parent requests. It is my belief that the chemistry and dynamics of a classroom are best set up through collaboration of the grade level teachers, special education and resource specialists. The best interests of all our children are foremost in our minds. To achieve the best learning environment the factors of: academic ability, learning needs, social needs, emotional needs, ethnicity and gender are factors that are considered. Under extreme circumstances, we may honor a parent request. Please be aware that all parent requests are shared with teachers and administration. Questions should be directed to Mark Lichte, (262) 367-3606, Ext. 114.

MATH PLACEMENT FOR 2019-2020

Attention Parents of current grades 4th – 7th grade students,

In preparation for the 2019-2020 school year, your child's performance in mathematics will be reviewed for math class placement purposes. Student performance on grade level math exit assessments along with standardized achievement test data, classroom performance and teacher recommendation are used to place students in math groups for the following school year. Math placement letters will be available for parents at Open House on Tuesday, August 27th.

LAST CALL...

PICK UP MEDICATIONS

ALL MEDICATIONS will have to be picked up from the health room by a parent before the end of the school year. We do not send medications home with students as they could end up in the wrong hands on the bus. We need to have new forms and medication dropped off each year. Thank you!

OUTSTANDING LUNCH ACCOUNTS

Parents, please be sure to have any outstanding hot lunch accounts paid before the end of the school year. 8th grade especially, we need to have these accounts cleared out before graduation. As always, you can check your balance in Skyward and pay online or send money into the school office. Any money remaining in an account will roll over to the next school year.

LIBRARY BOOKS DUE

All the students' books are due to the library on Wednesday, May 24th. Individual overdue notices will be sent home with the children after that date. Lost book fines need to be paid by the end of the school year. If your lost book is found, your payment will be returned. Thank you in advance for helping your children get all their library books returned!

BLUE & WHITE DAY

Thanks to everyone (teachers, staff, kids, etc...) for helping making 2019's Blue & White Day a big success. The entertainment was fantastic, lunch was good, and lots of fun was had by all! A special thanks to Mr. Blawat, our PTO, the Kohl's volunteers and our 7th grade students for a job well done!

SCIENCE OLYMPIAD

The LCS Science Olympiad team finished-up a strong season by competing at the MSOE Middle School Rube Goldberg competition. Although we did not place in the top three this time, all three groups had perfect runs and many compliments from the judges. Each team built their own box in the design lab, then constructed a Rube Goldberg device with multiple steps, included flipping a switch, which was the competitions goal this year.

7th & 8th GRADE BAND

Great job to the 7th/8th grade bands for performing so well at the Kalahari Band Festival "Beyond the Notes" on May 24th!
